HURRICANE BUILD-UP SERVICE

If you own a Spitfire or GT6 and would like to convert it to a Hurricane, but lack the time or facilities, we offer a build-up service especially for you.

To convert your car the following work is carried out:-

1. Remove body.
2. De-grease and underseal chassis. Waxoil internal surfaces.
3. Fit new copper brake pipes and new front road springs.
4. Fit Hurricane body to chassis.
5. Remove electrical and mechanical parts from donor bodyshell and fit to Hurricane.
i.e. door internals, windscreen, hood frame, wiring and electrical components, instruments and switches, lights, hydraulic cylinders, fuel tank, steering column, windscreen wiper mechanisms, exhaust, etc.
6. Supply and fit interior trim panels and carpets. Re-trim seats, trim dashboard and carpet boot.
7. Fit new hood.
8. Spray car to your colour choice with high quality paint finish.

COST OF CONVERSION	£ 2,140.00
